

1 MASKS REQUIRED

All staff and students are required to wear masks.

2 DISTANCING

6 feet distancing is best,
4 feet is better,
3 feet is good.

3 GOOD HYGIENE

Wash hands and use hand sanitizer on a regular basis. Sinks and/or hand sanitizer dispensers are located in each classroom.

4 DISINFECTING SURFACES

Custodian uses electrostatic sprayer at least every 30 days - creates a microbial barrier on surfaces. Each evening Custodians spray each desk area with Virex.

The Virus is not hardy. When it dries, it dies.

Chief of Staff
Cincinnati Children's*

EXTRA CLEANING

Regular disinfecting of surfaces is sufficient.

Each teacher is provided with a bottle of Virex and a roll of paper towels. As needed or as wanted, teachers may spray Virex on surfaces as an extra cleaning measure.

working together to keep everyone safe
